Re: Amendment to Petition for Declaratory Ruling - Software Cellular Network Ltd and Software Cellular Network (North America) Ltd., File No. ISP-PDR-20091001-00009

Dear Sir or Madam:

Enclosed please find for filing, a revised Exhibit C to the above-captioned Petition. This new exhibit contains slight changes to the ownership interests of the Petitioners. We have also included those ownership interests that are 5% or more for your convenience.

Further, the acquisition of Get Mobile, LLC has been tabled. The Parties may negotiate an acquisition of Get Mobile in the future, and will, of course, seek the appropriate approvals at that time. However, at this time, Software Cellular Network (North America) Ltd wants to focus its attention on the acquisition of SmartCall, LLC and iSmart Mobile LLC at this time. Please disregard references to Get Mobile in the Petition.

Petitioners respectfully request that the Petition be considered on an expedited basis for business considerations. Please let me know if I can be of further assistance in this process or if you have any questions or concerns.

Respectfully submitted,

/s/

Katherine E. Barker Marshall
