Re: *Pacific Telecom Inc.*  
ISP-PDR-20100720-00015

Dear Mr. Ball:

This letter is submitted on behalf of Pacific Telecom Inc., the petitioner in the above-referenced proceeding, in response to supplemental information requests of the International Bureau staff. The staff requested clarification about the information provided regarding Pacific Telecom's Japanese investor Sumitomo Corporation.

1. No single entity or consortium of entities controls Sumitomo Corporation.
2. The largest shareholder of Sumitomo Corporation, holding 6.43% of the shares, is The Master Trust Bank of Japan, a Japanese company formed through investments from four Japanese corporations, Mitsubishi UFJ Trust & Banking Corporation, Nippon Life Insurance Company, Meiji Yasuda Life Insurance Company and The Norinchukin Trust & Banking Co., Ltd. The top ten largest shareholders of Sumitomo Corporation (as of March 31, 2010) are listed on Sumitomo Corporation's English language web site.<sup>1</sup>
3. Sumitomo Corporation does not possess specific information on what percentage of total equity and voting stock is held by individual citizens of the United States, as any investments from individual U.S. citizens typically would be held via American Depository Receipts held in the name of a U.S. depository bank rather than in the U.S. individual's name.

Please let us know if any additional information is required.
