*Re: Further Clarification of Level 3 Communications, Inc.'s Petition for Declaratory Ruling under Section 310(b), IB Docket No. 11-78*

Dear Ms. Dortch:

Through its counsel, Level 3 Communications, Inc. ("Level 3 Parent"), hereby further clarifies its petition for declaratory ruling pursuant to 47 U.S.C. § 310(b)(4). Level 3 Parent has discovered that in listing the common-carrier Title-III licenses and authorizations of its subsidiary Vyvx, LLC ("Vyvx"), it had inadvertently included expired satellite earth station authorizations and inadvertently omitted a handful of terrestrial wireless licenses. A complete list of Vyvx's current Title III licenses and authorizations is attached to this letter. Level 3 Parent apologizes for this oversight and does not believe that any party was prejudiced by these prior omissions.

Yours sincerely,
