Re: AB License, Co. LLC
FCC File Number: ISP-PDR-20130702-00002

Dear Ms. Dortch:

The Department of Justice (“DOJ”), with the concurrence of the Department of Homeland Security (DHS) and the Department of Defense (DOD) (collectively, the “Agencies”), officially request termination of the Letter of Assurance (“LOA”) with AB License, Co. LLC (“AB”). DOJ has learned from Trey Hanbury, the attorney for AB, that AB Spectrum LLC, the sole member of AB License Co. LLC, dissolved as an entity in December 2016. AB notified DOJ in March 2017 that it had dissolved and disposed of all of its equipment. We have attached the correspondence on this topic for your consideration.

Given the information detailed herein indicating that AB is no longer in existence, the Agencies respectfully submit to the FCC that AB is unable to comply with its commitments in its December 2013 LOA signed by Assistant Attorney General for National Security John Carlin, DOD Chief Information Officer Teri Takai, and DHS Assistant Secretary of Policy David Heyman, and upon which the Agencies gave their non-objection to the granting of authorities and the conditions of the FCC’s 2013 granting of an international telecommunications certificate. The Agencies request that the FCC terminate, declare null and void and no longer in effect, and/or revoke the international telecommunications certificate issued to AB under FCC File Number ISP-PDR-20130702-00002.

Should you have any questions whatsoever, please do not hesitate to contact me.

Sincerely,

/S/ Richard Sofield
