Re: Update to Section 310(b) Petition for Declaratory Ruling, File No. ISP-PDR-20160209-00002.

Dear Ms. Dortch:

At the request of Commission staff, Channel 51 License Co LLC (“Channel 51 License Co”) is submitting a revised version of its Petition for Declaratory Ruling to exceed the foreign ownership limits in Section 310(b) of the Communications Act. See File No. ISP-PDR-20160209-00002. The petition requests approval for indirect foreign ownership exceeding 25% in Channel 51 License Co, an applicant in Auction 1002. At the time of the original submission, the petition described three possible ownership scenarios that could apply, depending on the outcome of the auction. Now that the auction is complete, Channel 51 License Co is updating the petition to reflect actual ownership figures.

This updated petition is intended to replace the petition originally submitted, and will also be filed as part of Channel 51 License Co’s Form 601 long-form application in Auction 1002.

Kindly contact me with any questions regarding this submission.

Respectfully submitted,

/s/ Alexander Maltas
