**SUPPLEMENT**

Onvoy Spectrum, LLC (“Petitioner” or “Licensee”) supplements its Petition by clarifying that “Aggregate Unknown Through Fund X/A” and “Aggregate Unknown through Fund X/C” listed in the chart aggregate foreign ownership on page 8 of the Petition, along with the corresponding references in the chart “Corporate Ownership Structure of Holdings” provided in Exhibit A,<sup>1</sup> refer to U.S. limited partners in Fund X/A and Fund X/C that reported that they may have foreign ownership. For purposes of the foreign ownership calculations, Petitioner assumed that those limited partners had 100 percent foreign ownership. However, Petitioner has not been able to determine the actual percentage of foreign ownership in these limited partners.

---

<sup>1</sup> In Exhibit A, the relevant references are (1) the “5.34% Unknown” for the owners of Fund X/A included as “Various Foreign Insulated Partners (No member individually holds 5% or more)” and (2) the “16.61% Unknown” for the owners of Fund X/C included as “Various Foreign Insulated Partners”.

Respectfully submitted,

/s/ Brett P. Ferenchak
