SUPPLEMENT TO JOINT PETITION FOR DECLARATORY RULING

On June 28, 2019, Citizens Telecommunications Company of Idaho, Citizens Telecommunications Company of Montana and Frontier Communications Northwest Inc. (collectively, the “Licensees”) and Northwest Fiber, LLC (“Northwest Fiber” or the “Transferee”) (collectively, the “Petitioners”), petitioned the Commission for a declaratory ruling that it would serve the public interest to permit indirect foreign ownership of the Licensees, which currently hold certain FCC common carrier radio station licenses. Specifically, the Petitioners sought approval of a group of investment funds domiciled in the Cayman Islands and ultimately controlled by Searchlight Capital Partners II GP, LLC, a Delaware limited liability company. At the request of the Commission staff, the Petitioners filed a supplement to the Petition for Declaratory Ruling (“PDR”) on November 8, 2019.

Upon a further request from the Commission, we make this additional supplemental filing to the PDR in order to clarify the following three points:

1. On Page 8 of Exhibit A of the PDR, we request that the following phrase from the last paragraph be deleted: “, of which Searchlight Capital II OPT Feeder, LP (“Cayman

Blocker”) will be the sole limited partner.”

2. In the first full paragraph on Page 13 of Exhibit A, we request that (a) the reference to “Searchlight Capital II OPT GP (Cayman)” be deleted as previously requested in our November 8, 2019 supplement; (b) the reference to “Searchlight Capital Partner II GP, L.P.” be corrected to “Searchlight Capital Partners II GP, L.P.”; and (c) the reference to “Searchlight II OPT Feeder, LP” be corrected to “Searchlight Capital II OPT Feeder, LP”.
3. Finally, we hereby confirm that the limited partners of each of Searchlight Capital II (FC) AIV, L.P. and Searchlight Capital II OPT PV, L.P. are fully insulated in accordance with Section 1.5003 of the Commission’s Rules.

Please do not hesitate to contact the undersigned with any questions.

Respectfully submitted,
