**PETITION TO ADOPT CONDITIONS TO AUTHORIZATIONS AND LICENSES**

The U.S. Department of Justice (“USDOJ”), with the concurrence of the U.S. Department of Defense (DOD, collectively the “Agencies”), submits this Petition to Adopt Conditions to Authorizations and Licenses (“Petition”), pursuant to Section 1.41 of the Federal Communications Commission (“Commission”) rules.<sup>1</sup> Through this Petition, USDOJ advises the Commission that the Agencies have no objection to the Commission approving the transfers of control and petition for declaratory ruling sought in the above-referenced proceedings, provided that the Commission conditions its approval on the assurances of Liberty Latin America, Ltd. (“Liberty”) to abide by the commitments and undertakings set forth in the July 1, 2020 Letter of Agreement (“LOA”), a copy of which is attached hereto.

The Commission has long recognized that law enforcement, national security, and public safety concerns are part of its public interest analysis, and has accorded deference to the views of other U.S. government agencies with expertise in those areas. *See In the Matter of Comsat Corporation d/b/a Comsat Mobile Communications, etc.*, 16 FCC Rcd. 21,661, 21707 ¶ 94 (2001).

<sup>1</sup> 47 C.F.R. § 1.41.

After discussions with representatives of Liberty in connection with the above-referenced proceeding, USDOJ has concluded that the additional commitments set forth in the LOA will help ensure that the Agencies can proceed appropriately in satisfying its responsibilities to enforce the law, protect national security, and preserve public safety. Accordingly, USDOJ advises the Commission that the Agencies have no objection to the Commission granting the application in the above-referenced proceedings, provided that the Commission conditions its consent on compliance with the LOA.

Respectfully submitted,
