Re: CSC Wireless, LLC Petition for Declaratory Ruling

To Whom It May Concern:

Altice USA, Inc. ("Altice") files this letter to withdraw the Petition for Declaratory Ruling ("Petition") that its subsidiary, CSC Wireless, LLC ("CSC Wireless"), filed on September 21, 2020 in anticipation of CSC Wireless filing an application to participate in Auction 107. CSC Wireless was not a winning bidder in Auction 107, and so action on the Petition is no longer necessary.

Please do not hesitate to contact me if you have any questions or need anything further.

Respectfully submitted,
