Subject: Petition Filed with the Federal Communications Commission by C494C17Y Co. File No. ISP-PDR-20200922-00009

Ms. Prudham,

On September 22, 2020, C494C17Y Co. (C494C17Y) filed the above referenced petition with the Federal Communications Commission (Commission) to enable its participation in FCC Auction 107. On June 7, 2021, the International Bureau notified you that since C494C17Y was not the winning bidder, you would need to withdraw the petition for declaratory ruling. On July 7, 2021, the Commission again notified you that you need to withdraw the petition for declaratory ruling or we would begin dismissal procedures.

Since the petition was never withdrawn and we haven't heard back from you, the petition is hereby dismissed by the Telecommunications and Analysis Division, International Bureau, FCC pursuant to section 1.748(a) of the Commission's rules, 47 CFR § 1.748(a).

The dismissal is without prejudice to re-filing in accordance with the Commission's rules, 47 CFR §§ 1.10006, 1.10007, 1.10014.

We are sending this notice to the email address of record you provided in the petition listed above. If you have any questions, please do not hesitate to contact us at 202-418-1480.

Sincerely,

Adrienne McNeil
