RE: Transfer of Customers Between Carriers Pursuant to 47 C.F.R. § 64.112(e)

Dear Ms. Dortch:

In accordance with the requirements of 47 C.F.R. § 64.1120(e), Matrix Telecom, Inc. (Matrix) hereby notifies the Commission of a potential transfer of certain interexchange and wholesale service customers from Americatel Corporation ("Americatel") and Impact Telecom, Inc. ("Impact") to Matrix.

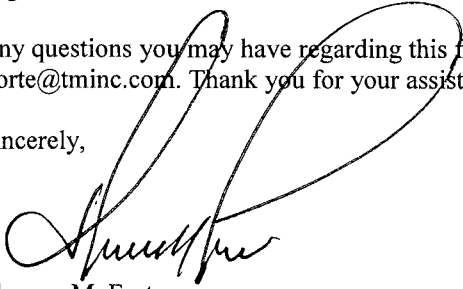

Matrix and Americatel are affiliates; each a wholly-owned subsidiary of Impact. Americatel's and Impact's Customer bases were transferred to Matrix, with Matrix being the surviving entity, at 11:59 pm on December 31, 2014. There will be no change in the actual controlling entity with respect to the services and lines at issue as a result of the merger because both companies have the same parent company (i.e, Impact). The merger is therefore a "proforma" transaction because the transfer of control will not result in a change in the actual controlling party. No prior approval is required for proforma transactions under 47 CFR 63.03(d).

1. Names of Parties to Transaction: The names of the carries involved in this transfer are Americatel Corporation (transferor), Impact Telecom, Inc. (transferor) and Matrix Telecom, Inc.. (transferee).
2. Type of Telecommunications Service Provided to Affected Customers: Americatel provides interexchange toll service through presubscribed and casual calling services while Impact provides wholesale carrier services.
3. Date of the Transfer: The transfer took place on December 31, 2014 or upon specific state regulatory approval, whichever is later.
4. Copy of the Notice Sent to Affected Customers: Customer notification letters were sent to impacted Americatel and Impact customers on or about November 19, 2014. A Copy of the notice letters is provided as Attachment 1.
5. Certificate of Compliance: Matrix Telecom, Inc. hereby certifies compliance with the requirements to provide advance subscriber notice, in accordance with 47 C.F.R. § 64.112(e)(3). Matrix has also complied with the other statutory and Commission requirements that apply to this streamlined process.

Americatel Corporation

Customer Notice

November 20, 2014

Dear Valued Customer,

Matrix Telecom, Inc. ("Matrix") and Americatel Corporation ("Americatel Corporation"), the current provider of your Startec services, are pleased to announce that Matrix and Americatel will be merging companies. As a result of the merger, Matrix will now provide your long distance services under the same Startec brand name you know and trust. The anticipated date of merger of Americatel into Matrix is expected to be completed on or after January 1, 2015, subject to the necessary regulatory approvals.

Please note that you are not required to do anything to retain your current long distance services. There will be no cost to you because Matrix will be responsible for any carrier change charges resulting from the merger, nor will the merger change your current calling plan or your rates, service features, or terms and conditions. Rest assured that this transition will be seamless. You will simply continue to receive the same services that you enjoy today under your Startec plan. Additionally, although no charge in your service is contemplated, you will be notified of any future changes to the rates, terms and conditions of your service in same manner as you always have – in your bill, by mail, or through lawful means.

If you have placed a preferred carrier freeze on your account, the freeze will continue to remain in place. We have a legal requirement to inform you that you have the right to select a different preferred long distance carrier, if one is available. If you choose to change to a different preferred long distance carrier, you may first need to lift any freeze you may have placed on your account by calling your local service carrier.

Matrix is dedicated to earning and keeping your business. We are confident that this transaction will strengthen the quality of service you receive today. As always, for help with any customer service, billing issue, or complaint, we will continue to assist you at our customer service toll-free number (800) 827-3374, before, during, and after the merger.

Sincerely,

AMERICATEL CORPORATION
and
