ORDER, AUTHORIZATION AND CERTIFICATE

1. The above-captioned applications, filed on September 26, 1989 by Eastern Telelogic Corporation (ETC), requests authority pursuant to Section 214 of the Communications Act of 1934, as amended, to resell the switched message telephone services of existing common carriers to provide international switched voice service between the U.S. and various overseas points. The application was placed on public notice on October 18, 1989. No comments were received.
