Re: Information Update to Notification of Voluntary Chapter 11 Bankruptcy Filing Pursuant to §63.24

Dear Ms. Dortch:

Transmitted herewith on behalf of VarTec Telecom, Inc. ("VarTec"), please find five (5) copies of this information update for the Commission's review and records. On November 4, 2004, VarTec notified the Commission of its bankruptcy status pursuant to §63.24. The Company's original correspondence reflected that VarTec as well as two of its telecommunications subsidiaries, Excel Telecommunications, Inc. ("Excel"), and VarTec Solutions, Inc. *f/k/a* eMeritus Communications, Inc. ("VarTec Solutions"), had voluntarily filed for Chapter 11 bankruptcy in the Dallas Division of the United States Bankruptcy Court for the Northern District of Texas under Case No. 04-81694-SAF-11 as of November 1, 2004.

Throughout the bankruptcy, VarTec and Excel have continued to provide competitive local exchange services to customers throughout the United States, and VarTec (TTC-90-152), Excel (TTC-93-145) and VarTec Solutions (TTC-97-227) continue providing intrastate, interstate and international long distance services to customers across the United States. VarTec again confirms that this voluntary bankruptcy filing has not resulted in a change of control or ultimate ownership for the Companies, and VarTec commits that it will seek the Commission's approval prior to making any ownership change. VarTec provides the following updates in order to ensure that the Commission has current and accurate information regarding the Company and its subsidiaries:
