Re: Notification of Changes in Corporate Form Affecting the Domestic and International Section 214 Authorizations of Certain PAETEC Holding Corp. Subsidiaries; FCC File Nos. ITC-214-19930827-00153, ITC-214-19970220-00101, ITC-214-19970929-00589, ITC-214-19990303-00104

Dear Ms. Dortch:

PAETEC Holding Corp. (“PAETEC Holding”) hereby notifies the Commission of changes in corporate form of certain of its subsidiaries, which affect the names reflected on the domestic and international section 214 authorizations held by those subsidiaries (the “Subsidiaries”). PAETEC Holding undertook a *pro forma* corporate reorganization, and changed the corporate forms of the Subsidiaries by converting them to limited liability companies (“LLCs”). With the exception of changing the “Inc.” to “LLC” designation at the end of the Subsidiaries’ names, the names of the Subsidiaries remained the same. The reorganization did not change the ultimate ownership or control of the Subsidiaries, or their operations, corporate directors, officers, managers, or service offerings and pricing – other than those done in the normal course of business. PAETEC Holding continues to be the ultimate parent of the Subsidiaries, and the Subsidiaries retained their original federal tax ID numbers. In all respects, the change in corporate form and *pro forma* reorganization was transparent to the public.

The domestic and international section 214 authorizations identified in the table below are affected by the LLC conversions:
