Re: Request to Cancel Section 214 Certification
Long Distance Wholesale Club, File No. ITC-94-03

Dear Sir or Madam:

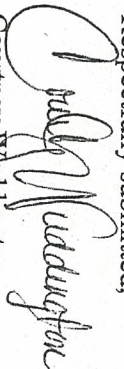

Long Distance Wholesale Club ("LDWC") hereby notifies the Federal Communications Commission ("FCC") of its desire to **surrender its Section 214 international certification.**

By way of background, LDWC was granted authority to provide resold international switched services on November 28, 1993 pursuant to File No. ITC-94-003. The Company ceased its international operations during the first quarter of 2000 following the transfer of its customer base to Excel Telecommunications, Inc. as granted in FCC Docket No. 94-129.

Please note that since the Company has no subscriber base, the cancellation of its Section 214 certification does not adversely impact any parties thereby negating the need for customer notice and other similar obligations outlined in §63.19 of the Code of Federal Regulations. For reasons stated herein, LDWC respectfully requests that the FCC authorize the cancellation of the Company's Section 214 international certification.

Acknowledgment and date of receipt of this transmittal are requested. Please date-stamp the enclosed extra copy of this correspondence and return said copy to the undersigned in the enclosed, self-addressed and stamped envelope. Please direct any questions or comments regarding this filing to the undersigned directly at (214) 424-1776.

Respectfully submitted,
