**Re: Notice of Pro Forma Assignment of Section 214 Authority Held by International Exchange Networks, Ltd. to Global Crossing Telecommunications, Inc.**

Dear Ms. Salas:

Global Crossing Telecommunications, Inc. ("GCTI"), pursuant to Section 63.24(a)(5) and (b) of the Commission's Rules, 47 C.F.R. § 63.24(a)(5) and (b), by its undersigned counsel, hereby notifies the Commission of the assignment of International Exchange Networks, Ltd.'s ("IEXN") respective Section 214 authorizations listed below to GCTI, a company with the same ultimate ownership as IEXN.

IEXN is an indirect wholly-owned subsidiary of Global Crossing North America Holdings, Inc. ("GCNAH"). Due to a corporate restructuring, GCNAH has determined that its needs would be better met by consolidating into GCTI the provision of the international services previously provided by IEXN. Accordingly, GCNAH has assigned to GCTI all of IEXN's international Section 214 authorizations. Specifically, the Section 214 authorizations assigned to GCTI are:

- International Exchange Networks, Ltd. (ITC-93-319)
- International Exchange Networks, Ltd. (ITC-96-096)
- International Exchange Networks, Ltd. (ITC-96-383)

According to our records, the Section 214 authorizations listed above are the only Section 214 authorizations held by IEXN. However, in the event that IEXN holds other Section 214 authorizations, IEXN hereby notifies the Commission that those authorizations have been assigned to IEXN as well.

GCTI certifies that given that GCTI is an wholly-owned subsidiary of GCNAH, which is also the indirect parent of IEXN, this assignment is *pro forma* pursuant to Section 63.24(a)(5) of the Commission's Rules, 47 C.F.R. § 63.24(a)(5), and, together with any previous *pro forma* transactions, does not result in a change of the ultimate control of the Section 214 authorizations. GCTI encloses its certification to that effect.

Enclosed are two (2) copies of this letter. Please date-stamp the enclosed extra copy, and return it to the undersigned. Please do not hesitate to contact us if you have any questions regarding this matter.

Respectfully submitted,

Troy F. Tanner

Specifically, I certify that the above-described assignment was *pro forma* pursuant to Section 63.24(a) of the Commission's Rules, 47 C.F.R. § 63.24(a), and together with any previous *pro forma* transactions, does not result in a change in ultimate control.
