**Re: Tata Communications (America) Inc. - Surrender of International Section 214 Authorization (ITC-214-1996-0723-00334)**

Dear Ms. Dortch:

Tata Communications (America) Inc. ("Tata") hereby surrenders, effective immediately, its International Section 214 Authorization granted in IB File No. ITC-214-1996-0723-00334 to acquire and operate facilities on the CANUS-1 cable system for the provision of switched, private line and other authorized services from the United States to international points other than Canada (the "International 214 Authority"). Tata previously surrendered its submarine cable license to provide services via the CANUS-1 subsea cable system,<sup>1</sup> which was decommissioned in 2010. Accordingly, Tata no longer requires the International 214 Authority.

Given that Tata does not offer regulated services pursuant to the International 214 Authority, Tata respectfully submits that the surrender of the International 214 Authority is reasonable and necessary and will not harm the present or future public interest, convenience and necessity. In addition, Tata respectfully submits that it is not subject to the customer notification requirements of Section 63.19 of the Commission's Rules, 47 C.F.R § 63.19 because it has no customers pursuant to the International 214 Authority.

---

<sup>1</sup> See Public Notice, Actions Taken Under Cable Landing License Act, DA 11-348 (rel. Feb. 24, 2011) (acknowledging surrender of SCL-LIC-19930503-0004).
