Re: **Stentor Corporation**  
**Voluntary Surrender of International Carrier Authorization**

Dear Ms. Dortch:

On behalf of Stentor Corporation, we hereby request that the Commission cancel the following international carrier authorization: **FCC File No. ITC-214-19970211-00081.**

A review of the company's files has revealed that no service has been rendered to any customer under the terms of the subject authorization during the past year.

No person would be adversely affected by the voluntary surrender of this authorization, as the market for services between the United States and international points is highly competitive.

Very truly yours,

**DLA Piper Rudnick Gray Cary US LLP**
