Re: Notice of Surrender of International Section 214 Authorization
ITC-214-19980609-00392

Dear Secretary Dortch:

The Dodson Group, Incorporated (“Dodson”) hereby surrenders its International section 214 Authorization, granted by the Federal Communications Commission in File No: ITC-214-19980609-00392. Dodson has transitioned all of its legacy telecommunications equipment and network to Internet Protocol. As such, Dodson no longer provides telecommunications services and is no longer a telecommunications provider for purposes of the International section 214 authorization.

Because Dodson’s service offerings do not require it to have an International section 214 license, Dodson is surrendering its license effective as of the date of this letter.

Should you have any questions or concerns regarding this request, please do not hesitate to contact me.

Respectfully Submitted,

James Dodson
