Description of Application: _____

Section 214 Application

Before the
FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20544

In the Matter of
Omni Communications International, Inc.
Application for authority pursuant file No. I.T.C.-96-_____
to Section 214 of the
Communications Act of 1934,
as amended, for global authority
to operate as an international
facilities-based and resale carrier

Application

Omni Communications International, Inc. ("Omnicomm"), hereby requests authority to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Omnicomm is a new U.S. company organized to provide international telecommunications services. Omnicomm has no foreign affiliations. Omnicomm serves business customers throughout the United States.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to Omnicomm International Inc.
