In the Matter of

B&B Fiber Cable, Inc.

Application For Section 214 Authority To
Provide Facilities-Based And Resold
Services Between The U.S. And All
International Points

Docket No.

GLOBAL BLANKET SECTION 214 APPLICATION

B&B Fiber Cable, Inc. (“B&B” Fiber” or “Applicant”), pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and Section 63.18 of the Commission’s Rules, 47 C.F.R. § 63.18, seeks authority to provide facilities-based (Section 63.18(e)(1)) and resold switched and interconnected and non-interconnected private line (Section 63.18(e)(2-4)) services between the United States and all international points, except those points listed on the Commission’s exclusion list. Applicant is eligible for streamlined processing under Section 63.12.

BACKGROUND

B&B Fiber is a wholly-owned subsidiary of Body of Christ Apostolic Ministries, a humanitarian organization. B&B Fiber is organized under the laws of the State of California and currently is not providing any telecommunications services. Applicant is not affiliated with any

foreign carriers and, thus, is presumed non-dominant on all routes pursuant to Section 63.10(a)(1) of the Commission's Rules. Further, Applicant is not affiliated with any U.S. carriers whose services it proposes to resell.

B&B Fiber's request for global blanket authority to provide facilities-based and resold switched and private line services will further the public interest. Applicant's entrance into the market will promote competition, lower prices for international services, permit more efficient use of existing international telecommunications facilities, and offer consumers additional options to the established international carriers. Moreover, grant of this application is consistent with the Commission's stated goal of promoting competition in international markets. See *Regulation of International Accounting Rates*, Phase II, First Report and Order, 7 FCC Rcd 559, 562 (1992).

SECTION 63.18 INFORMATION

In support of this Application, B&B Fiber submits the following information in accordance with Section 63.18 of the Commission's Rules:

- a. B&B Fiber & Cable, Inc.
3751 6th Ave., Suite B
San Diego, CA 92103

- d. The Applicant has not received prior authorization under Section 214.
- e. Applicant is seeking authorization to provide facilities-based and resold switched, and interconnected¹ and non-interconnected private line services pursuant to Section 63.18(e)(1), (2), (3) & (4).
- f. No statement required.
- g. Not applicable.
- h. Applicant is not a foreign carrier and is not affiliated with any foreign carrier. However, Applicant is a wholly-owned subsidiary of:
Body of Christ Apostolic Ministries
3751 6th Avenue
San Diego, CA 92103
Principal Business: Humanitarian Organization
Citizenship: United States

Neither the Applicant nor its corporate parent is affiliated with any U.S. carrier whose facilities-based services it proposes to resell.

- i. Applicant certifies that it has not agreed to accept special concessions directly or indirectly from any foreign carrier with respect to any U.S. international route where the foreign carrier possesses sufficient market power on the foreign end of the route to affect competition adversely in the U.S. market and will not enter into such agreements in the future.
- j. Applicant certifies that no party to the application is subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.

¹ Applicant is requesting authority to provide switched services over private lines between the U.S. and all countries the Commission previously has determined provide equivalent resale opportunities, and World Trade Organization ("WTO") member countries where at least 50 percent of the traffic is settled at or below benchmark rates, including countries that the Commission determines meet such conditions after grant of the instant authority.

k. Applicant qualifies for streamlined processing under Section 63.12 because Applicant is not affiliated with any U.S. carrier whose facilities-based services it proposes to resell or any foreign carrier. Further, Applicant is seeking authority to provide switched services over private lines only to countries for which the Commission previously has authorized the provision of switched services over private lines.

Respectfully submitted,

B&B FIBER CABLE, INC.
