Application for authority
pursuant to Section 214 of the
Communications Act of 1934,
as amended, for global authority
to operate as an international
Facilities-Based and Resale Carrier

To: Chief, International Bureau

APPLICATION

Zirca Corporation ("Zirca") hereby requests global facilities-based and resale Section 214 authority pursuant to the terms and conditions of Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18. Zirca is a new U.S. company organized to provide international telecommunications services. By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to Zirca.

SECTION 63.18 INFORMATION

The following information is submitted, as required by Section 63.18 of the Commission's Rules, in support of Zirca's request for authorization.

(a) Zirca Corporation
13800 Senlac Drive
Dallas, Texas 75234-8823

(214) 999-3000

(d) Prior to this application, Zirca has not sought or received any Section 214 authority from the Commission.

(e) Zirca requests authority to operate as a global facilities-based and resale carrier pursuant to the terms and conditions of Sections 63.18(e)(1) and (2) of the Commission's Rules.

(f) At this time, Zirca seeks no other authorization available under Section 63.18(e).

(g) Not applicable. Zirca is not seeking facilities-based authority under 47 C.F.R. Section 63.18(e)(6).

(h) Zirca certifies that it is not affiliated with any foreign or U.S. carrier. The name, address, citizenship and principal business of the sole shareholder that controls 100% of Zirca is as follows:

Interphase Corporation
13800 Senlac Drive
Dallas, Texas 75234-8823
(214) 654-5400

Principal Business of Interphase Corporation: Interphase Corporation is a supplier of high-performance server connectivity for enterprise network environments. The company's primary product lines are based on established and emerging technologies for the high-speed transmission and storage of information in local and wide area networks (LANs and WANs).

(i) Zirca certifies that it has not agreed and will not agree in the future to accept any direct or indirect special concessions from a foreign carrier or administration with regards to traffic or revenue flows between the United States and any foreign countries that it is authorized to serve.

(j) Zirca certifies that no party to this application has been denied federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.

CONCLUSION

In conclusion, Zirca certifies that all of the information in this application is accurate and correct. For the foregoing reasons, Zirca respectfully requests that the Commission grant this application.

Respectfully submitted,

ZIRCA CORPORATION
