See Section 63.18(e)(ii)(A) of the Commission's Rules.

Applicant is also requesting authority, pursuant to Section 63.18(e)(2) of the Commission's Rules, to resell the international services of all authorized U.S. common carriers pursuant to those carriers' tariffs and contracts on file with the Commission. Applicant hereby states that it will comply with the terms and conditions set forth in Section 63.18(e)(2)(ii) of the Commission's Rules. Mr. McDonnell and Ms. Rosenbloom are U.S. citizens. There are no interlocking directorates.

(i) Pursuant to Section 63.18(i) of the Commission's Rules, Applicant certifies that it has not agreed to accept special concessions directly or indirectly from any foreign carrier with respect to any U.S. international route where the foreign carrier possesses sufficient market power on the foreign end of the route to affect competition adversely in the U.S. market and will not enter into such agreements in the future.

(j) Pursuant to Sections 1.2001-1.2003 of the Commission's Rules, Applicant attaches to this application a certificate stating that no party to this application is subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.

(k) Applicant is not affiliated with a foreign carrier in a destination market, is not affiliated with a dominant U.S. carrier whose international switched or private line services it seeks authority to resell, and does not seek authority to provide switched basic services over private lines to a country for which the Commission has not previously authorized the provision of switched services over private lines. Accordingly, Applicant is eligible for streamlined processing pursuant to Section 63.12.

**CONCLUSION**

A grant of this application will serve the public interest because it will promote competition in the provision of international telecommunications services and thereby advance the goals of the Commission's international telecommunications policies. Accordingly, for the reasons stated above, it is respectfully requested that the Commission grant the foregoing application.

Respectfully submitted,
