APPLICATION

COSMOS Engineers International, Inc. ("COSMOS"), by its attorneys, hereby requests authority pursuant to Section 214 of the Communications Act of 1934, as amended (the "Act"), 47 U.S.C. § 214, and Section 63.18 of the Commission's Rules, 47 C.F.R. § 63.18, to provide global international facilities-based and resale services between the United States and international points.

COSMOS is a U.S. company organized to provide international telecommunications services. COSMOS has no foreign affiliations. COSMOS serves business customers throughout the United States.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Accordingly, the public interest will be served by the grant of Section 214 authority to COSMOS. In accordance with Section 63.12 of the Commission's Rules, COSMOS requests streamlined processing of this application.

In support of its request, COSMOS provides below the following information pursuant to

Section 63.18 of the Commission's Rules:

12300 Twinbrook Parkway, Suite 525
Rockville, Maryland 20852
- (b) COSMOS is a corporation organized under the laws of the state of Delaware.
- (c) Correspondence concerning this application should be sent to:

Pierre G. Debbane, President

(202) 828-1892
- (d) COSMOS has not received authority previously under Section 214 of the Act.
- (e) COSMOS requests global facilities-based and resale Section 214 authority pursuant to the terms and conditions of Sections 63.18(e)(1) and (e)(2) of the Commission's Rules.
- (f) At this time, COSMOS seeks no other authorization available under Section 63.18(e).
- (g) Not applicable.
- (h) COSMOS certifies that it has no affiliation with any international or U.S. carrier whose services COSMOS proposes herein to resell (either directly

or indirectly through the resale of another reseller's service), as the term "affiliation" is defined in Section 63.18(h)(i) and (ii) of the Commission's Rules. In support of this certification, the name, address, citizenship and principal business of the sole shareholder that controls ten percent or more of COSMOS is as follows:

Rockville, Maryland 20852
(301) 816-8900

Principal Business: President of telecommunications corporation.

Citizenship:

U.S.A.

COSMOS will promptly notify the Commission of any change in the status of the information required by Section 63.18(h) of the Commission's Rules.

- (i) COSMOS certifies that it has not agreed and will not agree in the future to accept special concessions, as defined in Section 63.18(i)(1) of the Commission's Rules, directly or indirectly from any foreign carrier or administration with respect to traffic or revenue flows between the U.S. and any foreign country which COSMOS may serve under authority granted by the Commission, and will not enter into such agreements in the future.
- (2) COSMOS certifies that it will immediately inform the Commission if at any time the representations in the certification in (i)(1) above are no longer true.
- (j) COSMOS certifies that no party to this application has been denied federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.

CONCLUSION

For all of the above reasons, the public interest, convenience and necessity would be served by the expeditious grant of this application for Section 214 authority.

Respectfully submitted,

COSMOS Engineers International, Inc.
