- (d) Applicant has not previously received authority under Section 214 of the Act.
- (e) Applicant is hereby requesting Section 214 authority to operate as a facilities-based carrier pursuant to Section 63.18(e)(1) of the Commission's Rules. Applicant hereby states that it will comply with the terms and conditions set forth in Section 63.18(e)(1)(ii) of the Commission's Rules and will not provide services to any country on the Commission's exclusion list. Under Section 63.10 of the Commission's Rules, Applicant qualifies as a non-dominant carrier and would provide services to all international points for which it qualifies for non-dominant regulation. See Section 63.18(e)(ii)(A) of the Commission's Rules.

Applicant is also requesting authority, pursuant to Section 63.18(e)(2) of the Commission's Rules, to resell the international services of all authorized U.S. common carriers pursuant to those carriers' tariffs and contracts on file with the Commission. Applicant hereby states that it will comply with the terms and conditions set forth in Section 63.18(e)(2)(ii) of the Commission's Rules. Applicant is not affiliated with any U.S. carriers regulated as dominant on the routes to be served.

As a facilities-based carrier and as a resale carrier, Applicant will provide international basic switched, private line, data, and business services to all international points permitted by the Commission.

(f) Applicant seeks authority to provide only services referenced under paragraph (e) of Section 63.18 of the Commission's Rules.

(g) The authority requested in this application is categorically excluded from environmental processing as defined by Section 1.306 of the Commission's Rules.

(h) Applicant certifies that it is not affiliated with any U.S. carrier whose facilities-based services it proposes to resell, nor is it affiliated with any foreign carriers. Pursuant to Section 63.18(h)(2) of the Commission's Rules, the following information is provided regarding the ten percent or greater stockholders of Applicant.

AccessLine Holdings, Inc. (100 percent)

The ten percent or greater shareholders of AccessLine Holdings, Inc. are as follows.

1 Apex Investment Fund II, L.P. (27 percent)

2 Firestone Tire and Rubber Master Trust (26 percent)

3 Firestone Tire and Rubber Master Trust is a pension fund managed by Oak Associates,

Ltd. Oak Associates also manages other funds which are shareholders of AccessLine Holdings, Inc., none of which are ten percent or greater shareholders. In the aggregate, Oak Associates manages funds for shareholders holding approximately 29 percent. In addition, Invesco Private Capital, another private investment manager, manages investments for five shareholders of AccessLine Holdings, Inc. none of which are ten percent or greater shareholders, but which, in the aggregate, hold approximately 13 percent. There are no interlocking directorates.

(i) Pursuant to Section 63.18(i) of the Commission's Rules, Applicant certifies that it has not agreed to accept special concessions directly or indirectly from any foreign carrier with respect to any U.S. international route where the foreign carrier possesses sufficient market power on the foreign end of the route to affect competition adversely in the U.S. market and will not enter into such agreements in the future.

(j) Pursuant to Sections 1.2001-1.2003 of the Commission's Rules, Applicant attaches to this application a certificate stating that no party to this application is subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.

(k) Applicant is not affiliated with a foreign carrier in a destination market, is not affiliated with a dominant U.S. carrier whose international switched or private line services it seeks authority to resell, and does not seek authority to provide switched basic services over private lines to a country for which the Commission has not previously authorized the provision of switched services over private lines. Accordingly, Applicant is eligible for streamlined processing pursuant to Section 63.12.

CONCLUSION

A grant of this application will serve the public interest because it will promote competition in the provision of international telecommunications services and thereby advance the goals of the Commission's international telecommunications policies. Accordingly, for the reasons stated above, it is respectfully requested that the Commission grant the foregoing application.

Respectfully submitted,

AccessLine Communications Corporation
