Before the
FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554

In the matter of
THE INTERNATIONAL CENTER OF ECONOMIC TELECOMMUNICATION, INC.
Application for authority pursuant File No. I.T.C.-96-_____
to Section 214 of the
Communications Act of 1934,
as amended, for global authority
to operate as an international
facilities-based and resale carrier

Application

The International Center of Economic Telecommunication, Inc., hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities – based and resale services between the United States and international points.

The International Center of Economic Telecommunication is a new U.S. company organized to provide international Telecommunication services. The International Center of Economic Telecommunication, Inc. has no foreign affiliations. The International Center of Economic Telecommunication, Inc. serves business customers throughout the United States.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. customers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to The International Center of Economic Telecommunication, Inc.
