Application

FreeBon International Corporation ("FBIC"), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between points in the United States and between the United States and international points.

FBIC is an established U.S. company organized to provide Video Conferencing equipment as well as national and international telecommunications services. FBIC has no foreign affiliations. FBIC serves business customers throughout the United States. FBIC has not previously applied for nor has been granted any prior Section 214 authority.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and by lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to FBIC.
