APPLICATION FOR AUTHORITY

I. Specific Authority Requested

WORLDWIDE GATEWAY Inc., hereby requests global authority, pursuant to section 214 of the Communications Act of 1934, as amended, Act 47 U.S.C. Section 214 (1982), and 47 C.F.R., Section 63.18(1995), to: 1) as provided by 47 C.F.R. para 63,18(e)(1) to acquire ownership interests in U.S. authorized transmission and connecting international facilities provide international channels with U.S. owned / Commission approved satellite systems to provide telecommunication services between the U.S. and approved international destinations 2) as provided by Section 63.18(e)(2)(A), to resell international, interconnected private line services of other common carriers between the United States and all international points not excluded by the Commission and 3) as provided by Section 63.18(c)(2) to resell international switched services of all unaffiliated carriers authorized to provide such services between the United States and all international points not on the Exclusion List.

All leases, purchases or other acquisition of ownership or interest in earth stations, satellite channels, submarine cables or connectivity facilities will be reported upon acquisition as required by 47 C.F., Sec. 43.82. **WORLDWIDE** will comply with the requirements of Sec. 43.61 of the Commission's rules in the timely filing of traffic reports of its resale of international switched and private line service.

The entry of WORLDWIDE into the international market will provide American business, education, and individual consumers with increased choices in international communications products, services and competitive pricing. Therefore the granting of this application is in the furtherance of the public interest.

II. APPLICANT

WORLDWIDE is a corporation organized under the state of Nevada to provide facilities-based telecommunications services and to resell switched and private line telecommunications services of other common carriers. The company seeks authority to provide such services to better meet the needs of its customer base with competitively priced international telecommunications products.

WORLDWIDE's customer base will be primarily comprised of businesses engaged in international trade, educational institutions and individuals as well as other common carriers. By providing facility-based telecommunication services and the resell of international switched and interconnected private line services, WORLDWIDE will be able to serve its customers more completely and help them be competitive in world markets. International interconnected switched and private line services to be resold will be obtained by WORLDWIDE from other currently authorized common carriers. In accordance with Section 63.17(b) (1995), WORLDWIDE will engage in "switched hubbing" in selected countries, which have been designated equivalent by the Commission.

111. DECLARATIONS AND UNDERSTANDINGS

The following information is submitted according to 63.18 of the Commission's rules.

- (1) Name, address, and telephone number of applicant:

WORLDWIDE GATEWAY, Inc.
