to Section 214 of the)	
Communications Act of 1934,)	
as amended, for global authority)	
to operate as an international)	
resale carrier)	

Application

ABT Computer Inc. ("ABTC"), requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commissions Rules, 47 C.F.R. Section 63.18, to provide global international resale services between the United States and international points.

ABTC is a new U.S. company organized to provide international telecommunications services. ABTC has no foreign affiliations. ABTC serves business and residential customers throughout the United States.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the grant of Section 214 authority to ABTC will serve the public interest.
