Dear Mr. Ball,

Effective immediately, AsiaTone, LLC would like to cancel its 214 Certificate of Authority (TTC 214-19990115-00020). Due to the Company's weak financial condition, poor economy and increasingly competitive market to sell international calling services the Company no longer provides international dial-around service and has no plans to offer any further international calling services.

Please address and correspondence or feel free to reach me at the address below:
