RE: Notice of Consummation, *International Section 214 Authorization for Transfer of Control of Fretel Communications, LLC from MJD Ventures, Inc. to BTC Holdings, Inc.*, Public Notice, DA No. 13-25, Report No. TEL-01598 (rel. Jan. 10, 2013) for ITC-214-19990125-00037 and ITC-T/C-20121210-00321

Dear Ms. Dortch:

BTC Holdings, Inc. (“BTC”), by its attorneys, hereby notifies the Commission that on January 31, 2013, the parties consummated the transfer of control of Fretel Communications, LLC (“Fretel”) from MJD Ventures, Inc. (“MJD”) to BTC.

On February 7, 2013, the parties notified the Commission about the consummation of the transfer of control for Fremont Telcom Co. and Fretel from FairPoint Communications, Inc. (“FairPoint”) to Blackfoot Telephone Cooperative, Inc. (“Blackfoot”) (“Notice”).¹ That Notice was inadvertently not filed with the Commission through the IBFS system, nor did the Notice reference the International Bureau file numbers under which the initial authorization and authorization of the transfer of control were granted.

BTC submits this notice, referencing the International Bureau file numbers above, along with the attached copy the previous Notice, to consummate the International Section 214 Authorization Transfer of Control of Fretel to BTC. Please contact the undersigned counsel if you have any questions.

Respectfully submitted,

Gregory W. Whiteaker
Counsel for BTC Holdings, Inc.

Enclosure

¹ Fretel was an indirect, wholly owned subsidiary of FairPoint through MJD. Blackfoot is a wholly owned subsidiary of BTC.
