File No. I-T-C-\_\_\_\_\_

Application for authority  
pursuant to Section 214  
of the Communications Act  
of 1934, as amended, for global  
authority to operate as an  
international resale carrier

**APPLICATION**

PMT Long Distance, Inc. ("PMT") hereby applies for authority pursuant to Section 214 of the Communications Act, as amended, 47 U.S.C. § 214, and Section 63.18 of the Commission's Rules, 47 C.F.R. § 63.18, to provide resold international telecommunications services between the United States and various international points.

PMT hereby requests global authority pursuant to Section 63.18(e)(2) of the FCC's Rules, 47 C.F.R. § 63.18(e)(2), to resell international switched services of all unaffiliated authorized carriers to provide international switched services between the United States and all international points served by those carriers. PMT's application for authority pursuant to Section 214 is eligible for streamlined processing.<sup>1/</sup>

PMT is not affiliated, either directly or indirectly, as that term is defined by Part 63 of the

---

<sup>1/</sup> See *Streamlining the International 214 Authorization Process and Tariff Requirements*, IB Docket No. 95-118, FCC 96-79 (released March 13, 1996) (adopting streamlined 35-day processing procedures for certain international resale applications) ("*Streamlining Order*"); 47 C.F.R. § 63.12 (1996).

Commission's Rules and the Commission's recent revisions of Part 63, with any international facilities-based carrier whose international services PMT will resell. PMT has no foreign ownership and no officer of PMT is an employee, agent, or representative of a foreign telecommunications entity. PMT is also not affiliated with any foreign carrier providing service in the various international points on the routes that PMT wishes to serve. Accordingly, PMT's application for international switched resale authority is eligible for streamlined processing.<sup>2/</sup>

Grant of this application is in the public interest since grant of PMT's request for resale authority to provide international services will directly further the Commission's policies of bringing increased competition to the U.S. international telecommunications services market.

The following information is provided in response to the provisions of Section 63.18 of the

Commission's Rules:

- (a) Name and address of applicant:  
  
PMT Long Distance, Inc.  
507 G Street  
Rupert, Idaho 83350  
(208) 434-7139
  
- (b) PMT is organized as a corporation under the laws of Idaho.

---

<sup>2/</sup> See *Streamlining Order*, 47 C.F.R. § 63.12 (1996).

- (c) Any correspondence concerning this application should be addressed to:

Karl Searle, Secretary  
PMT Long Distance, Inc.  
507 G Street  
Rupert, Idaho 83350  
(208) 434-7139

with a copy to:

David L. Nace, Esquire  
Lukas, Nace, Gutierrez & Sachs, Chartered  
1111 Nineteenth St., N.W., Suite 1200  
Washington, D.C. 20036  
(202) 857-3500

- (d) Upon grant of this application, PMT will become an authorized non-dominant reseller with global authority, subject to Section 214 of the Communications Act of 1934, as amended, and the Commission's Rules. PMT lacks the market power that would allow it to control prices to the detriment of market competition.
- (e) PMT requests Section 214 authority to operate as a resale carrier pursuant to the terms and conditions of Section 63.18(e)(2), for which the applicant has not previously sought authorization. Authorization is requested to resell leased facilities between the switching facilities of Applicant in Idaho and those points where service is provided by the companies whose service will be resold.
- (f) At this time, PMT does not seek authority to provide services referenced under paragraph (e)(3) of Section 63.18 of the Commission's Rules.
- (g) At this time, PMT does not seek international facilities-based authority pursuant to Section 63.18(g).
- (h) PMT certifies that it is not affiliated with any foreign carrier (as that term is defined

in Part 63 of the Commission's Rules) or with any U.S. carriers whose facilities-based services it proposes to resell.

PMT is a wholly owned subsidiary of Project Mutual Telephone Association, Inc. ("Project Telephone"), P.O. Box 366, 507 G Street, Rupert, Idaho 83350. Project Telephone is a cooperative corporation organized in the state of Idaho which provides local exchange services. No individual or entity holds as much as a one percent interest in Project Telephone.

PMT further certifies that it does not have an affiliation with a foreign carrier. Further, PMT has not agreed to accept any concessions directly or indirectly from any foreign carrier or administration with respect to traffic or revenue flow between the United States and various international points under the authority granted under Section 214 of the Communications Act of 1934, as amended, and the Commission's Rules, and has not agreed to enter into such agreements in the future.

- (i) As required by Section 63.18(i) of the Commission's Rules, 47 C.F.R. § 63.18(i), PMT certifies that it has not agreed to accept nor shall it accept in the future any special concessions, as defined by the Commission's Rules, directly or indirectly from any foreign carrier or administration with respect to traffic or revenue flows between the U.S. and any foreign country which PMT may be authorized to serve.
- (j) PMT hereby certifies, pursuant to Section 1.2002 of the Commission's Rules that neither it nor any party to this application is subject to denial of federal benefits that include FCC benefits pursuant to the Anti-Drug Abuse Act of 1988, 21 U.S.C. §3301.
- (k) This application qualifies for streamlined processing pursuant to Section 63.12 of the Commission's rules because none of the provisions of Section 63.12(c) are applicable to PMT or its proposed resale of international services.

In view of the foregoing, PMT submits that the public interest, convenience and necessity would be furthered by grant of its Section 214 application.

Respectfully submitted,

**PMT LONG DISTANCE, INC.**
