d. Applicant has not previously applied for authority under Section 214 of the Act.

e. Applicant hereby requests Section 214 authority to operate as a global facilities-based provider and reseller of international telecommunications services pursuant to the terms and conditions of Section 63.18(e)(2) of the Commission's rules.

f. At this time, Applicant is not applying for any other authority set forth in paragraph (e) of Section 63.18.

g. Applicant is not seeking facilities-based authority under paragraph (e)(6) of Section 63.18.

h. Applicant hereby certifies that it is entirely a domestic corporation with no foreign affiliations.

(1) In support of its Application, Applicant represents that the following shareholders or equity holders have a 10 percent or greater interest in the business:

AED Corp., Inc.
1483 Chain Bridge Road
Suite 300
McLean, Virginia 22101

The 10% or greater shareholders in AED Corp., Inc. are:

(a) The Dunham Family Trust -- Arne Dunhem, the Chairman and CEO of erbia, Inc., is a citizen of Sweden.

(b) Peter G. Maggi -- Executive Vice President and Acting CFO of erbia, Inc. is a United States citizen.

(c) Oscar Bazoberry -- Vice President of IT Systems of erbia, Inc. is a United States citizen.

erbia, Inc. is the primary business activity of AED Corp., Inc.

(2) Applicant hereby certifies that it does not have any affiliations with any of the U.S. facilities-based carriers whose services Applicant intends to purchase and resell.

i. Applicant has not agreed to accept special concessions, directly or indirectly, from any foreign carrier or administration and will not enter into any such agreements in the future.

j. Pursuant to §§ 1.2001 through 1.2003 of the Commission's Rules implementing Section 5301 of the Anti-Drug Abuse Act of 1988, Applicant hereby certifies that neither Applicant nor any party to this Application is subject to a denial of federal benefits by federal and/or state courts under authority granted in 21 U.S.C. 853a.

CONCLUSION

Applicant believes that there is significant potential for continued growth in the international voice market and that this market expansion will be accelerated by additional competition by new entrants. This position is consistent with the Commission's findings that increased competition in international markets benefits the public interest. Applicant is legally, financially and technically qualified to provide the service for which it requests global resale authority. For the reasons stated above, Applicant submits that the public interest, convenience and necessity would be furthered by granting Applicant's § 214 Application. The request for global resale authorization should, therefore, be issued to Applicant for the purpose of providing resold switched voice communications from the United States to international points.
