In the Matter of  
Simplified Communications, LLC  
Application for international Section 214 authorization of the Communications Act of 1934,  
as amended, for global authority to operate as an international facilities-based and resale carrier

---

Application

Simplified Communications, LLC ("Simplified Communications"), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Simplified Communications is a new U.S. company organized to provide international telecommunications services to customers throughout the United States. Simplified Communications has no foreign affiliations.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. The goal of Simplified Communications is to provide high quality service with very competitive prices. We are a very customer focused company believing that the consumer should have alternatives in product offerings. Thus, the public interest will be served by the grant of Section 214 authority to Simplified Communications.

Section 63.18 Information

The following information is submitted, as required by Section 63.18 of the Commission's Rules, in support of Simplified Communications' s request for authorization.
