In the Matter of PRESTO TELECOMMUNICATIONS, INC. Application for authority pursuant File No. I.T.C.-96-\_\_\_\_\_ to Section 214 of the Communications Act of 1934, as amended, for global authority to operate as an international facilities-based and resale carrier

---

#### APPLICATION

Presto Telecommunications Inc. ("Presto"), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Presto is a U.S. company organized to provide international telecommunications services, initially between the United States and Mexico, and to other markets as soon as it is able. Presto has one foreign affiliate, Presto Telecommunicaciones SA de CV, ("Presto (Mexico)") formed under the laws of Mexico. Presto intends to serve business and residential customers throughout the United States.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to Presto.

#### SECTION 63.18 INFORMATION

The following information is submitted, as required by Section 63.18 of the Commission's Rules, in support of Presto's request for authorization.

- (a) Presto Telecommunications, Inc., 1660 Hotel Circle N., Suite 600, San Diego, CA 92108, 619-294-9100
- (b) Presto is a corporation organized under the laws of the state of Delaware.
- (c) Correspondence concerning this application should be sent to:  

A. L. Vassallo, Jr., President  
C/O Presto Telecommunications, Inc.  
1660 Hotel Circle N., Suite 600  
San Diego, CA 92108  
619-294-9100
- (d) Presto has not received authority previously under Section 214 of the Communications Act.
- (e) Presto requests global facilities-based and resale Section 214 authority pursuant to the terms and conditions of Section 63.18(e)(1) and (e)(2) of the Commission's Rules.
- (f) At this time, Presto seeks no other authorization available under Section 63.18(e).
- (g) Not applicable.

(h) Presto certifies that it is not affiliated with any U.S. facilities-based carrier. Presto is affiliated with Presto (Mexico), a Mexican facilities-based carrier. Presto (Mexico) was formed on November 21, 1997 and is in the process of raising capital to acquire and construct facilities in Mexico. It is one of five new licensees for the services it will provide. There is no area or facility in Mexico that is within the exclusive control of Presto (Mexico). It is clearly not the case now and it will not be the case in the future that Presto (Mexico) will control any bottleneck. Presto (Mexico) does not have the potential to discriminate against unaffiliated U.S. international carriers through such means as preferential operating agreements, preferential routing of traffic, exclusive or more favorable transiting agreements, or preferential domestic access and interconnection agreements.

In support of this certification, the name, address, citizenship and principal business of the sole shareholder that controls ten percent or more of Presto, Inc. is as follows:

A. L. Vassallo, Jr.  
Presto Telecommunications, Inc.:  
1660 Hotel Circle N., Suite 600  
San Diego, CA 92108  
619-294-9100

Principal Business: President of Telecommunications Corporation

Citizenship: U.S.A.

- (i) Presto certifies that it has not agreed and will not agree in the future to accept any direct or indirect special concessions from a foreign carrier or administration with regards to traffic or revenue flows between the United States and any foreign countries the company is authorized to serve.
- (j) Presto certifies that no party to this application has been denied federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.

#### CONCLUSION

In conclusion, Presto certifies that all of the information in this application is accurate and correct.

For these reasons, Presto respectfully request that the Commission grant this application.

Respectfully submitted,

PRESTO TELECOMMUNICATIONS, INC.
