Application

Before the

FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554

In the Matter of
INTERNET ARGENTINA, INC.
Application for authority pursuant File No. I.T.C.-96-_____
to Section 214 of the
Communications Act of 1934,
as amended, for global authority
to operate as an international
facilities-based and resale carrier

1. Preamble

Internet Argentina, Inc. ("Internet Argentina"), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Internet Argentina is a new U.S. company organized to provide international telecommunications services. Internet Argentina has no foreign affiliations. Internet Argentina will serve customers throughout the United States to terminate calls on Argentina and vice-versa.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to Internet Argentina.
