In the Matter of
Telexpress Communications, Inc.
d/b/a Telexpress

Application for authority pursuant to
Section 214 of the Communications
Act of 1934, as amended, to resell
service of other common carriers to
provide telecommunications service as
a nondominant carrier from the
United States to international points.

File No. _____

APPLICATION FOR AUTHORITY

Telexpress Communications, Inc. d/b/a Telexpress ("Telexpress") hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214, and Section 63.01 of the Commission's Rules, 47 C.F.R. Section 63.01, to resell the international telecommunications services of other common carriers between the United States and various international points.

Telexpress is a privately-held corporation organized under the laws of the state of Florida. The Company intends to resell the telecommunications facilities of other common carriers and is not a facilities-based carrier. Telexpress's service will be offered for use by residential and business customers who subscribe to the Company's interstate and/or intrastate services. Through its service, customers may originate calls from locations within the United States to other countries. The Company seeks authority to resell international telecommunications services to better serve its Customers by offering a full range of telecommunications products and services. By providing international calling services Telexpress will be able to offer its Customers valuable service at

competitive rates.

International telecommunications services will be obtained by Telepress from other common carriers who are currently authorized by the Commission to provide international service. Initially, Telepress will only resell international switched services. However, Telepress requests authority to resell private line service in the future as contemplated under Section 63.18 (e) (2) and subject to the restrictions imposed therein.

The provision of international service by Telepress will not have any significant impact on the general provision of such service to the public. However, additional competition in the market - including the competition of Telepress - benefits consumers of international telecommunications services. The benefits of competition include lower prices and increased availability of a variety of service options. Thus, the grant of this authorization is consistent with the public interest.

In support of Telepress's request for authorization, the following information is submitted pursuant to Section 63.18 of the Commission Rules, 47 C.F.R. Section 63.18.

(a) The name, address and telephone number of the applicant:

Telepress Communications, Inc.
d/b/a Telepress
13499 Biscayne Boulevard
Suite 215
Miami, Florida 33181
Telephone: 305-461-1991
Facsimile: 305-461-1239

(b) Telepress Communications, Inc. d/b/a Telepress is incorporated under the laws of the state of Florida.

- (c) Correspondence concerning this application should be sent to:

- (d) Telexpress has not received previous authority under Section 214.
- (e) Telexpress requests Section 214 Authority to operate as a resale carrier pursuant to the terms and conditions of Section 63.18(e)(2). Specifically, Telexpress proposes to resell the international services of any authorized common carrier pursuant to tariff or contract duly filed with the Commission, for the provision of international basic switched, private line, data, television and business service to all international points, as authorized by the Commission.
- (f) See (e) above.
- (g) Telexpress does not seek facilities-based authority under Section 63.18(e)(6).

(h) Telexpress certifies that it is not a foreign carrier nor is Telexpress affiliated with any foreign carrier. Applicant further certifies that it has no affiliation with any U.S. Carriers whose facilities-based services Telexpress proposes to resell. In support of this certification, Telexpress submits the following information of its ten percent or greater direct and indirect shareholders or other equity holders.

Luis Jimmy Garcia is the sole stockholder and is a citizen of the United States. Mr. Garcia's primary business is Telexpress Communications, Inc.

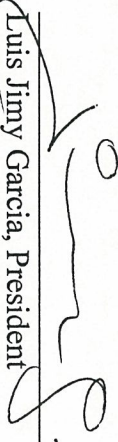

(i) Telexpress certifies that it has not agreed to accept special concessions directly or indirectly from any foreign carrier or administration with respect to traffic or revenue flows between the U.S. and any foreign country which the applicant may serve and will not enter into such agreements in the future.

(j) The Applicant certifies that neither Telexpress nor any party to this application is subject to a denial of Federal benefits, as provided in the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853a.

Conclusion

As demonstrated in this application, Telexpress Communications, Inc. d/b/a Telexpress is legally, financially and technically qualified to provide the services for which it requests authority. For the reasons stated above, applicant submits that the public interest, convenience and necessity would be furthered by a grant of this Section 214 application.
