FEDERAL COMMUNICATIONS COMMISSION  
Washington, D.C. 20554

PICUS Communications, LLC Application for authority pursuant to Section 214 of the Communications Act of 1934, as amended, for global authority to operate as an international facilities-based and resale carrier	File No. I.T.C.-99-_____
--	--------------------------

APPLICATION

PICUS Communications, LLC ("PICUS") hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

PICUS is a U.S. limited liability company organized to provide, among other things, international telecommunications services. PICUS has no foreign affiliations. PICUS serves business customers throughout the United States.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to PICUS.

SECTION 63.18 INFORMATION

The following information is submitted, as required by Section 63.18 of the Commission's Rules, in support of PICUS' request for authorization.
