Description of Application: _____

Before the
FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554

In the Matter of

Pacific Telecommunication Corporation.

Application for authority pursuant
to Section 214 of the
communications Act of 1934,
as amended, for global authority
to operate as an international
facilities-based and resale carrier

Application

Pacific Telecommunication Corporation ("PTC"), hereby requests authority,
pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C.
Section 214 (1982), and section 6.18 of the Communication's Rules, 47 C.F. R. Section
63.18, to provide global international facilities-based and resale service between the
United States and international points.

PTC is a new U.S. company organized to provide international
telecommunication services. PTC has no foreign affiliations. PTC serves
business customers throughout the United States.

By granting this application, the Commission will serve the public interest,
convenience and necessity by promoting competition in the international services market.
Competition will benefit U.S. consumers by increasing service options and lowering
prices. Thus, the public interest will be served by the grant of Section 214 authority to
PTC.
