service of other common carriers to	)

a nondominant carrier from the	)

APPLICATION FOR AUTHORITY

G3.com Corporation ("G3.com") hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214, and Section 63.01 of the Commission's Rules, 47 C.F.R. Section 63.01, to resell the international telecommunications services of other common carriers between the United States and various international points.

G3.com is a privately-held corporation organized under the laws of the state of Florida. The Company intends to resell the telecommunications facilities of other common carriers and is not a facilities-based carrier. G3.com's service will be offered for use by residential and business customers who subscribe to the Company's interstate and/or intrastate services. Through its service, customers may originate calls from locations within the United States to other countries. The Company seeks authority to resell international telecommunications services to better serve its Customers by offering a full range of telecommunications products and services. By providing international calling services G3.com will be able to offer its Customers valuable service at competitive rates.

International telecommunications services will be obtained by G3.com from other common carriers who are currently authorized by the Commission to provide international service. Initially, G3.com will only resell international switched services. However, G3.com requests authority to resell private line service in the future as contemplated under Section 63.18 (e) ~~(2)~~ and subject to the restrictions imposed therein.

The provision of international service by G3.com will not have any significant impact on the general provision of such service to the public. However, additional competition in the market - including the competition of G3.com - benefits consumers of international telecommunications services. The benefits of competition include lower prices and increased availability of a variety of service options. Thus, the grant of this authorization is consistent with the public interest.

In support of G3.com's request for authorization, the following information is submitted pursuant to Section 63.18 of the Commission Rules, 47 C.F.R. Section 63.18.

- (a) The name, address and telephone number of the applicant:

- (d) G3.com has not received previous authority under Section 214.
- (e) G3.com requests Section 214 Authority to operate as a resale carrier pursuant to the terms and conditions of Section 63.18(e)(2). - (f) See (e) above.
- (g) G3.com does not seek facilities-based authority under Section 63.18(e)(6).

(h) G3.com certifies that it is not a foreign carrier nor is G3.com affiliated with any foreign carrier. Applicant further certifies that it has no affiliation with any U.S. Carriers whose facilities-based services G3.com proposes to resell. In support of this certification, G3.com submits the following information of its ten percent or greater direct and indirect shareholders or other equity holders.
