In the Matter of  
Access Universal, Inc.  
Application for authority pursuant  
to Section 214 of the  
Communications Act of 1934,  
as amended, for global authority  
to operate as an international  
facilities-based and resale carrier

File No. I.T.C. - 99-\_\_\_\_\_

### Application

Access Universal, Inc. ("Access"), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Access is a new U.S. company organized to provide international telecommunications services. Access has no foreign affiliations. Access serves customers throughout the United States.

By granting the application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to Access.
