APPLICATION FOR AUTHORITY

Selex Communications, L.L.C. ("Selex") hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214, and Section 63.01 of the Commission's Rules, 47 C.F.R. Section 63.01, to resell the international telecommunications services of other common carriers between the United States and various international points.

Selex is a Limited Liability Corporation organized under the laws of the state of Georgia. The company intends to resell the telecommunications facilities of other common carriers and is not a facilities-based carrier. Selex's service will be offered for use by cellular carriers primarily outside of North America and secondarily inside North America. Selex provides international long distance service on a wholesale basis to the cellular carrier, who in turn, provides international long distance on a retail basis to its customers. These calls will typically be routed through the United States. The company seeks authority to resell international telecommunications services to better serve its customers by offering a full range of call termination options. By providing international calling services Selex will be able to offer its customers valuable service at competitive rates.

International telecommunications services will be obtained by Selex from other common carriers who are currently authorized by the Commission to provide international service. Initially, Selex will only resell international switched services. However, Selex requests authority to resell private line service in the future as contemplated under Section 63.18 (e) (2) and subject to the restrictions imposed therein.

The provision of international service by Selex will not have any significant impact on the general provision of such service to the public. However, additional competition in the market - including the competition of Selex - benefits consumers of international telecommunications services. The benefits of competition include lower prices and increased availability of a variety of service options. Thus, the grant of this authorization is consistent with the public interest.

In support of Selex's request for authorization, the following information is submitted pursuant to Section 63.18 of the Commission Rules, 47 C.F.R. Section 63.18.

- (a) The name, address and telephone number of the applicant:

Selex Communications, L.L.C.
3291 West Roxboro Road
Atlanta, Georgia 30324
Telephone: (404) 231-1631
Facsimile: (404) 231-0283

- (b) Selex Communications, L.L.C. was organized under the laws of the state of Georgia as a Limited Liability Corporation (L.L.C.) on October 23, 1998.

- (c) Correspondence concerning this application should be sent to:

Company Contact: Mr. Scott Laster
Vice President - Engineering / Operations

- (d) Selex has not received previous authority under Section 214.
- (e) Selex requests Section 214 Authority to operate as a resale carrier pursuant to the terms and conditions of Section 63.18(e)(2). Specifically, Selex proposes to resell the international services of any authorized common carrier pursuant to tariff or contract duly filed with the Commission, for the provision of international basic switched, private line, data, television and business service to all international points, as authorized by the Commission.

(f) See (e) above.

(g) Selex does not seek facilities-based authority under Section 63.18(e)(6).

(h) Selex certifies that it is not a foreign carrier nor is Selex affiliated with any foreign carrier. Applicant further certifies that it has no affiliation with any U.S. Carriers whose facilities-based services Selex proposes to resell. In support of this certification, Selex submits the following information of its ten percent or greater direct and indirect shareholders or other equity holders.

<u>Name/Address</u>	<u>Citizenship</u>	<u>Principal Business</u>
Peter Roach	US Citizen	Selex Communications
Scott Laster	US Citizen	Selex Communications
Jack Roberts	US Citizen	Private Investor

No other stockholder holds more than 10% of the company. All stockholders may be contacted at 3291 West Roxboro Road, Atlanta, Georgia 30324.

(i) Selex certifies that it has not agreed to accept special concessions directly or indirectly from any foreign carrier or administration with respect to traffic or revenue flows between the U.S. and any foreign country which the applicant may serve and will not enter into such agreements in the future.

(j) The Applicant certifies that neither Selex nor any party to this application is subject to a denial of Federal benefits, as provided in the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853a.

Conclusion

As demonstrated in this application, Selex Communications, L.L.C. is legally, financially and technically qualified to provide the services for which it requests authority. For the reasons stated above, applicant submits that the public interest, convenience and necessity would be furthered by a grant of this Section 214 application.

Dated this 26th day of May, 1999.
