Re: **GTE Telecom 214 (ITC-214-19990708-00391)**

Dear Ms. O'Connell:

This will supplement the information contained in the above application.

GTE Telecom Incorporated recognizes and accepts dominant classification on international routes to its affiliates, specifically to Compañía Dominicana de Teléfonos ("CODETEL") in the Dominican Republic and Compañía Anónima Nacional Teléfonos de Venezuela ("CANTV") in Venezuela.

I regret the omission of this statement in the referenced application.

Please let me know if you need anything further.

Very truly yours,
