("TRC") hereby applies for authority pursuant to Section 214 of the Communications Act of 1934, as amended ("Act"), 47 U.S.C. § 214 (1998), and Section 63.18 of the Rules, 47 C.F.R. § 63.18 (1998), for authority to provide international facilities-based services, and international switched resale services, on a global basis.

A grant of this application will enable TRC to enter into the global competitive telecommunications marketplace. This will further the Commission's pro-competitive policies and serve the public interest by bringing the benefits of increased customer choice and alternative services by new entrants to the international marketplace. RCA Communications, Inc. v. F.C.C., 346 U.S. 86 (1953); and Telocator Network of America v. F.C.C., 691 F.2d 525 (D.C. Cir. 1982).

The authority requested is to acquire interests in all appropriately licensed U.S. common carrier and non-common carrier facilities, and any necessary overseas connecting facilities as needed, to provide international basic switched, private line, data, television and business services to all international points, except to those points indicated on the Commission's exclusion list.

(e) (2) TRC is also requesting authority to resell the international services of authorized U.S. common carriers for the provision of international basic switched, private line,

data, television and business services to all international points pursuant to the terms and conditions of Section 63.18(e)(2), 47 C.F.R. § 63.18(e)(2) (1998).
