Before the
FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554

In the Matter of

TELECOM DREAM TEAM, L.L.C.

Application for authority pursuant to Section 214
of the Communications Act of 1934, as amended, for
global authority to operate as an international facilities
based and resale carrier

File No. I.T.C. - 9X -

Application

Telecom Dream Team, L.L.C. (“Telecom”), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission’s Rules, 47 C.F.R. Section 63.18, to provide global international facilities based and resale services between the United States and international points.

Telecom is a new U.S. Limited Liability Company organized to provide international telecommunications services. Telecom has no foreign affiliations. Telecom will serve business and individual customers throughout the United States.

By granting this application, the Commission will help individual and business consumers throughout the United States. Telecom aspires to incorporate its consumers into one of the world’s largest, most sophisticated global telecommunications networks. This will facilitate the consumer’s ability to develop valuable international relations and network operations. In fact, through its operations, Telecom will connect consumers with 3 teleports containing a total complement of 41 earth stations. Services to be provided will include International Direct Dial, International Private Lines, International Toll-Free Services, Customized Access Services and Internet Services. Telecom’s pricing strategy and rates will also be equitable and more than competitive with the other companies in the marketplace today. Thus, by making available high quality services at reasonably priced rates, the public interest will be served by the grant of Section 214 authority to Telecom.
