Description of Application: _____

Before the
FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554

In the Matter of
LORCOM TECHNOLOGIES, INC.
Application for authority pursuant File No. I.T.C.-96-_____
of Section 214 of the
Communications Act of 1934,
as amended for global authority
to operate as an international
facilities-based and resale carrier

Application

Lorcom Technologies, Inc. ("Lorcom Technologies") hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Lorcom Technologies is a U.S. company organized to develop innovative telecommunications and internet services. Lorcom Technologies has no foreign affiliations. Lorcom Technologies serves business and individual customers throughout the United States and internationally.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to Lorcom Technologies.
