Re: Notice of Surrender of International
Section 214 Authorization
File No. ITC-214-19991122-00730

Dear Ms. Dortch:

Pursuant to Section 63.19 of the rules of the Federal Communications Commission ("FCC"), Lockheed Martin Corporation hereby surrenders the above-referenced international Section 214 authorization held in the name of its subsidiary Comsat General.

This is a ministerial act to eliminate unnecessary FCC authorizations. Comsat General submits that no customer notice is required under Section 63.19(a) of the FCC rules because it does not provide international common carrier service and has no international common carrier customers to notify.

Very respectfully,

A handwritten signature in blue ink, appearing to read "Jennifer A. Warren".
