Description of Application: _____

Before the
FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554

FCC/MELLON NOV 23 1999

In the Matter of

SPECTRUM TELECOMMUNICATIONS CORP.

File No. I-T-C-99

Application for authority pursuant to
Section 214 of the Communications Act
of 1934, as amended, for global authority
to operate as a facilities-based carrier and as
an international resale carrier

Application

Spectrum Telecommunications Corp. ("Spectrum"), hereby requests authority, pursuant to section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Spectrum is a new U.S. company organized to provide international telecommunications services. Spectrum is not affiliated with any foreign carriers as defined in Part 63 of the commission's rules. Spectrum serves business customers in the United States and abroad.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus the public interest will be served by the grant of Section 214 authority to Spectrum.
