Re: Public Notice of International Authorizations Granted - DA No. 01-322  
Yorkville Communications, Inc.  
FCC File No. ITC-214-200000110-00009

Dear Ms. Arbogast:

On behalf of Yorkville Communications, Inc. ("YCI"), this letter is to bring to the Bureau's attention an error, apparently minor, in the listing under the "Informative" heading of the referenced Public Notice which referred to a letter we submitted on January 31, 2001 (copy attached) concerning plans by the controlling company of YCI, which is named Yorkville Telephone Cooperative, Inc. ("YTC"), to engage in global resale services as a Commercial Mobile Radio Services licensee.

In the Public Notice, YTC was identified as a wholly owned subsidiary of YCI, when in fact YCI is a wholly owned subsidiary of YTC. If deemed appropriate by the Bureau, please note the correct relationship of YCI and YTC in a future public notice. If a corrected public notice is deemed unnecessary, we will consider this letter to be sufficient to correct the Bureau's records.

Should any questions arise with respect to this matter, please communicate directly with this office.

Very truly yours,

David L. Nace

Re: SUPPLEMENTAL NOTICE CONCERNING GRANTED SECTION 214  
AUTHORIZATION  
YORKVILLE COMMUNICATIONS, INC.  
FCC FILE NO. ITC-214-200000110-00009

Dear Ms. Arbogast:

This letter is submitted for association with the Commission's files concerning the above-referenced certification granted to Yorkville Communications, Inc. ("YCI") under Section 214 of the Communications Act of 1934, as amended, to provide global resale services. When the application was filed on January 5, 2000, YCI identified itself as a wholly-owned subsidiary of Yorkville Telephone Cooperative, Inc. and requested certification in the name YCI only.

YCI requests at this time that the Section 214 certification which it holds be applicable not only to YCI but also to its controlling company, Yorkville Telephone Cooperative, Inc., which is a telecommunications carrier that will engage in global resale services as a Commercial Mobile Radio Services licensee. YCI requests that the Commission's files be so noted.

Should any questions arise with respect to this matter, please communicate directly with this office.

Very truly yours,

David L. Nace
