Description of Application: _____

BEFORE THE
FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554

In the Matter of
Full Service Computing Corp. :
t/a Full Service Network :
Application for Authority Pursuant : File No.
to Section 214 of the Communications Act :
of 1934, as Amended, to Resell IMTS :
as an International Common Carrier :

To: The Commission

APPLICATION

Full Service Computing Corp. t/a Full Service Network("FSN"), pursuant to Section 214 of the Communications Act of 1934, as amended, and Section 63.18 of the Rules and Regulations of the Federal Communications Commission ("FCC" or "Commission"), hereby requests such authority to provide global international facilities-based and resale services between the United States and international points.

Specifically, FSN is organized to provide international telecommunications services. FSN has no foreign affiliates. FSN serves business and residential customers located primarily in the Commonwealth of Pennsylvania.

By granting this application, the Commission will serve the public interest, convenience, and necessity by promoting competition in the international services market. Benefiting U.S. customers, competition increases service options and lowers prices. Thus, the public interest will be served by the grant of Section 214 authority to FSN.

FSN requests that this application be processed in accordance with the Commission's procedures for streamlined processing as set forth in Section 63.18 of the

- (g) Not applicable.
- (h) This application constitutes certification that FSN has no affiliation with any foreign carrier nor any affiliation with any U.S. carrier whose facilities-based service FSN proposes to resell, either directly or indirectly. Persons holding ten percent or more of the equity of FSN are listed at Appendix "A."
- (i) FSN certifies that it has not agreed and will not agree in the future to any direct or indirect special concessions from a foreign carrier or administration with regards to traffic or revenue flows between the United States and any foreign countries that FSN is authorized to serve. This certification is an ongoing representation to the Commission and will be updated as soon as possible after any change has occurred.
- (j) This application constitutes certification that, in accordance with Section 5302 of the Anti-Drug Abuse Act of 1988, neither FSN nor any party to this application is subject to denial of federal benefits pursuant to §5201 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. §853(a).

For the foregoing reasons, FSN respectfully submits that it is legally, technically, and financially qualified to provide international resale telecommunications services and that grant of this application will serve the present and future public interest, convenience, and necessity. Furthermore, FSN certifies that all of the information in this application is accurate and correct.

RE: Full Service Computing Corp., T/A Full Service Network
Application for Authority pursuant to Section 214 of the
Communications Act of 1934

Gentlemen:

Full Service Computing Corp. ("FSN"), pursuant to Section 214 of the Communications Act of 1934, as amended, and Section 63.18 of the Rules and Regulations of the Federal Communications Commission ("FCC" or "Commission") hereby submits for filing an application for authority to provide global international facilities-based and resale services between the United States and international points.

Included with the application is an appropriately completed FCC Form 159 Remittance Advice and a check drawn to the order of the FCC in the amount of \$780.00 as payment of the requisite fee.

It is believed that sufficient information has been provided to allow the Commission to grant the international application. Should additional details be required, however, the Commission is respectfully requested to contact the undersigned, preferably by telephone.

Respectfully submitted,

Alan C. Kohler
